Gianni Versace

Gianni Versace

Gianni Versace Nineteen Ninety

Versace

Versace. The very name conjures up images of outrageous glamour and bold sexuality, opulence and daring. All of course true, but only half the story. Versace is also the legacy of a great creative genius from a poor, backward part of southern Italy who transformed the fashion world through his intuitive understanding of both women and how a changing culture influenced the way they wanted to dress. The first book in English about the legendary designer, House of Versace shows how Gianni Versace, with his flamboyant sister Donatella at his side, combined his virtuosic talent and extraordinary ambition to almost single-handedly create the celebrity culture we take for granted today. Gianni Versace was at the height of his creative powers when he was murdered in Miami Beach. The story was front page news around the world and the manhunt
for his killer a media obsession. His beloved sister Donatella demanded no less than a funeral befitting an assassinated head-of-state to be held in Milan’s magnificent cathedral. In what was the ultimate fashion show, the world’s rich and beautiful – Princess Dianna, Elton John, Carla Bruni, Naomi Campbell, Carolyn Bessette-Kennedy, Anna Wintour and others – gathered to mourn a man already considered one of fashion’s great pioneers. Deborah Ball, a long-time Milan correspondent for The Wall Street Journal, conducted hundreds of interviews with Versace family members, Gianni Versace’s lovers and business rivals, models such as Naomi Campbell whom he helped shoot to international stardom and fashion industry icons, including Anna Wintour, the legendary editor of Vogue. Ball vividly recounts the behind-the-scenes struggles – both creative and business – of Donatella as she stepped out of her brother’s long shadow and took control of the House of Versace. The book offers the first inside look at the enormous challenges Donatella faced in living up to Gianni’s genius, her struggle with a drug habit, her battles with her brother Santo and the mystery of why Gianni left control of his house to Donatella’s young daughter, Allegra. House of Versace is a compelling, highly readable tale of rise from obscurity, a painful fall and ultimate redemption as the Versace empire returned to health – for now. Bringing together fashion, celebrity, business drama, jet-set lifestyles, and a notorious crime, House of Versace is an old-fashioned page-turner about a subject of enduring fascination.

Heels Part 1 Shoes are much more than mere fashion accessories. On the one hand they are the most sensible elements of any wardrobe. They protect our naked feet from harsh environments and stony grounds. They stabilize our gait, and protect our delicate ankles, knees and hips. But whilst they ground and support us they also caress our feet, elevate our spirits and in the case of high heels they accentuate the butt, arch the back and make us into feline Goddesses of unlimited sexual power. No other fashion item has ever offered us so much. Featuring special

Customs Bulletin and Decisions

A long-awaited and highly intimate visual history of Versace, the glamorous and globally renowned Italian fashion house. Versace—a name that epitomizes Italian opulence, bold sexiness, and a flair for the extravagant—holds its place firmly in the fashion world as a legendary and iconic luxury brand. Taking over the creative artistic direction of the family-run fashion house in 1997, the enigmatic and alluring Donatella Versace has since catapulted the brand into popular culture, cementing Versace as a go-to label for A-list celebrities. This richly illustrated tome chronicles Donatella’s interpretation of Versace in the twenty-first century and her remarkable work as the curator and face of Versace. Versace includes exclusive contemporary and archival imagery from runway and backstage shots to intimate scenes at the Versace atelier, with accompanying original essays penned by fashion’s most authoritative voices. Featuring arresting photography by Richard Avedon, Irving Penn, and Steven Meisel, among many others; images of Versace fashions modeled by the original “supers,” such as Christy Turlington, Naomi Campbell, and Linda Evangelista; and red-carpet coverage of Hollywood’s elite wearing dazzling Versace couture, this glittering volume delivers the magnetic vibrancy, supreme luxury, and glamour quotient that define Versace.

Vulgar Favors

Gianni Versace’s unbridled enthusiasm for the baroque finds new expression in Do Not Disturb, his playful peek behind the closed doors of the Versace homes. Versace's Garden of Eden is found at home - be that a stuccoed Ottocento pavilion fronting the Lago di Como, a sumptuous home office in the center of the fashion capital, or an Art Deco pile in South Beach. Versace’s Adam and Eve might well be Sylvester Stallone and Claudia Schiffer, modestly shielding themselves from our view with a Gorgon-headed dinner plate. His vision is translated through the lens of the world's most accomplished photographers - Richard Avedon, Irving Penn, Helmut Newton, and Massimo Listri - and illustrated with a cornucopia of drawings and pastels by Karl Lagerfeld and Gladys Perint Palmer. Sir Roy Strong, a former Director of the Victoria & Albert Museum, London, contributes a stunning text to match the visual feast.

The Collection of Gianni Versace : New York

Read the true story of the manhunt that inspired The Assassination of Gianni Versace: American Crime Story, the latest chapter of the acclaimed FX series. On July 15, 1997, Gianni Versace was shot and killed on the steps of his Miami Beach mansion by serial killer Andrew Cunanan. But months before Versace's murder, award-winning journalist Maureen Orth was already investigating a major story on Cunanan for Vanity Fair. Culled from interviews with more than four hundred people and insights gleaned from thousands of pages of police reports, Vulgar Favors tells the complete story of Andrew Cunanan, his unwitting victims, and the moneyed world in which they lived . . . and died. Orth reveals how Cunanan met Versace, and why police and the FBI repeatedly failed to catch him. Here is a gripping odyssey that races across America--from California's wealthy gay underworld to modest Midwestern homes of families mourning the loss of their sons to South Beach and its unapologetic decadence. Vulgar Favors is at once a masterwork of investigative journalism and a riveting account of a sociopath, his crimes, and the mysteries he left along the way. "The breadth and thoroughness of Maureen] Orth's research are often staggering."--The New York Times
"Fascinating . . . ripe with chilling detail."--Entertainment Weekly

Gianni Versace
Gianni Versace created a fashion house that defined late twentieth-century glamour, invented the supermodel, and sanctioned in the public consciousness a supremely self-assured feminine sexuality. His debut line in 1978 was instantly successful; in the Eighties, his extravagant designs and his vision of powerful women defined the era, and culminated in the Nineties with the supermodel phenomenon - his designs worn by those glamazons who featured on every Vogue cover. The book reveals how the more brazen elements of his design - the jewelled embroidery, the bondage straps, the safety-pin gowns - were predicated on supremely skilled tailoring, deft use of materials, and innovative techniques. Alongside are Vogue's eye-witness accounts of the Versace lifestyle - the palazzos and parties, the art, the celebrity friends. Vogue on Gianni Versace is a celebration of a designer and a house that, in only 19 years, came to dominate the catwalk and the red carpet.

Versace

"Gianni Versace's fashion is about bold and unequivocal choices. Unafraid of being denounced by those less daring and more fearful than himself, he makes fashion meant to be worn by those who share his desire for risk - who share his honesty about sexuality and his self-confidence in aesthetic choice." "Versace understands, perhaps better than any designer of his time, that fashion's place in the world is at the center of visual spectacle. With intelligent commentary and celebrated photographs of Versace designs, this book presents the Versace spectacle in all its boldness and sensuality."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. **Gianni Versace - Final 24: His Final Hours**

Versace style is a unique mix of sensuality and modernity, its imagery an alchemical blend of the historical and contemporary. These unashamedly luxurious garments have the courage to gleam from head to toe, each semiprecious stone, piece of paste or glint of metal adding an electric quality to the impeccable line of the cut. Unprecedented asymmetries exalt the body. Exuberant prints explode with vitality and daring across the surface of the fabric. Shoes, belts and collars studded with gems proclaim a frank delight in gaudy excess. Profoundly international, a Versace style represents the triumph of Italian sartorial perfection hybridized with the Anglo-Saxon culture of individual freedom and the French love of the spectacular. Creator of the supermodel, collaborator with some of the biggest names in the contemporary photography, friend to rock stars, royals and actors, Gianni Versace was beyond question one of the most innovative, experimental and unpredictable figures of the second half of the twentieth century. This book explores his incomparable legacy. It includes 177 illustrations, 55 in colour.

House of Versace

Gianni Versace

A true story of dark forces that ended a colourful life. The basis for American Crime Story: The Assassination of Gianni Versace, a new 10-part drama series on BBC2 starring Penelope Cruz and Ricky Martin. This is the unforgettable account of a sociopath, his savage crimes, and the devastation he left in his wake. In the glamorous and hedonistic fashion world in the 1990s there was one world-famous name that everyone knew - Gianni Versace. Vulgar Favours details the events that led to his murder at the hands of Andrew Cunanan on July 15th, 1997. Maureen Orth, investigative journalist, was researching an article for Vanity Fair about the Miami Beach serial killer two days before Versace was brutally killed outside his mansion by Cunanan. Drawing on over 400 interviews and thousands of pages of police reports, Orth recounts in gripping detail how Cunanan became one of America's most notorious serial killers, evading the police and leaving his other victims' families in disarray.

Men Without Ties

Ad $ Summary

Presents images from both the late designer's private art collection and fashion photography featuring his designs

Fall Winter Collection 1999

Published to accompany an exhibition of Versace design that opened in 1997 - With commentary on the major inspirations and themes of the
designer, his creative interpretations of the past, his visions of costumes for the opera and the dance, his ideas for the male and his innovative uses of different materials.

**Men Without Ties**

Advertising expenditure data across multiple forms of media, including: consumer magazines, Sunday magazines, newspapers, outdoor, network television, spot television, syndicated television, cable television, network radio, and national spot radio. Lists brands alphabetically and shows total expenditures, media used, parent company and PIB classification for each brand. Also included in this report are industry class totals and rankings of the top 100 companies in each of the media.

**The Murder of Gianni Versace**

Published to accompany the first major exhibition of the work of Gianni Versace in the UK since his death in 1997, this stylish book provides a glittering retrospective of one of the twentieth century's most innovative and enigmatic designers. Always flamboyant and outrageous, Versace's imaginative and intelligent collections drew inspiration from pop culture and the street, as well as from his impressive knowledge of art and fashion. His work is seen here from two different but complementary perspectives - Art and Craft. Art lays out a glamorous array of designs, from asymmetric tailored suits to flamboyant print dresses, garments in leather and metal mesh, gorgeous evening wear and exotic theatre designs. Scattered through the pages are pictures of some of Versace's most famous clients- Liz Hurley in the notorious safety pin dress and Princess Diana. But the real stars are the exquisite designs themselves, created to flatter the female form and to lend panache to the male wardrobe. Understated elegance was not Versace's aim- his clothes stand out from the crowd, demanding to be admired, and are featured here in stunning, specially commissioned photographs. This is the most comprehensive collection of Versace originals ever exhibited. Craft looks at Versace's highly inventive use of materials, such as Oroton, the metal mesh he created which can be draped like the finest silk. Other innovative techniques include his idiosyncratic weaving methods and his flair for combining unlikely partners- Prince of Wales check with baroque embroidery, denim and diamant. Showing his fabrics, prints, appliqu and embroidery in gorgeous close-up, this section focuses on the detail of
Versace's craftsmanship. The stylish page design gives each section its own distinctive look. The paperback cover opens out into page size flaps which features a colourful parade of images to delight fashion lovers and students alike. Everyone will find much to admire in this fascinating retrospective.

Gianni Versace: A Gianni Versace Biography

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Vulgar Favors

This episode focuses on the last hours of fashion designer Gianni Versace's life. On July 15, 1997, Andrew Cunanan who was obsessed with Versace and had been carrying a seven-year grudge, shot him on his daily walk.

Vogue on Gianni Versace

Vulgar Favours

On the 15th of July 1997 the world of fashion was changed forever. Gianni Versace had decided to have a change of routine. Instead of sending out an assistant, as he usually would, to collect the morning papers, Versace travelled down to his local coffee shop to get them himself. As he returned home to his Miami Beach mansion, Andrew Cunanan pounced. Firing his gun and shooting Versace twice, a fashion icon fell to his knees and left the world shocked. An eyewitness at the scene said: "There were two shots fired in his head. The police came very fast; they were trying to help him, revive him." Two shots in the head, destroying a brilliant mind forever.

Gianni Versace

GIANNI VERSACE: A Gianni Versace BiographyThe main man behind the most sensual, coveted and recognizable aspects of today's fashion industry is Gianni Versace. We have Versace to thank for unrepentant glamour and sexuality, high-octane fashion shows, supermodels, celebrities on the front row, the intersections of high art and shameless commerce and global branding all these things that makes the fashion world such a heady, intoxicating place. The Italian designer was one of the most important talents to have ever graced the fashion business. He had a distinct vision, the skills and technique to make it a reality, and the courage and sense of salesmanship needed to succeed. He was a gifted original who founded a bold fashion house in 1978 and changed the way the game was played forever afterwards. His has become one of the most unforgettable names in the business as well as in popular culture. Beyond a name, Versace was a global brand - an aspirational aesthetic, a lifestyle, a philosophy. This is his story.

Gianni Versace Visto Da Herb Ritts

From the theatrical to the whimsical, Gianni Versace's designs have something for everyone. On these pages, his sketches and finished works of haute couture, ready-to-wear, accessories, jewelry, and opera and
ballet costumes -- as well as artworks created by Richard Avedon, Irving Penn, and Bruce Weber. The pictures are accompanied by a variety of writing, including commentary by Hamish Bowles of American Vogue, a new short story by Isabella Bossi Fedrigotti, an excerpt from the memoirs of Lady Julia Trevelyan Oman, and quotations and features from fashion magazines around the world. Vanitas focuses on the master craftspeople and the history of the development of their creations based on the skilled handcrafting of each unique creation. With almost three hundred brilliant pictures, the book offers insight into the evolution of the Versace style since 1982.

The Art of Being You
